

Product datasheet

Specifications

Controller, EcoStruxure Security Expert, LON security purpose controller, IP only

SP-AC1-IP

Main

Mounting Mode	DIN rail mount
Width	90 mm
Device Application	Access control Intrusion detection
[In] Rated Current	120 mA
Current Consumption	3.4 A
Ambient Air Temperature For Storage	-10...85 °C
Relative Humidity	0...93 % RH, non-condensing
Communication Port Support	RS485 Modem FTT-10A port
Number Of Inputs	8 high security monitored 8 card reader
Number Of Outputs	1 bell DC output 2 form C relay output 4 open collector output 1 auxiliary output
Depth	156 mm
Output Voltage	11...14 V DC
Output Current	7 A form C relay 50 mA open collector output 0.7 A auxiliary output 1.1 A bell DC output

Complementary

Encryption Protocol	RSA 1024 AES 256
Communication Port Protocol	Ethernet LON

Packing Units

Unit Type Of Package 1	PCE
Number Of Units In Package 1	1
Package 1 Height	6.9 cm
Package 1 Width	11 cm
Package 1 Length	17.8 cm
Package 1 Weight	428 g
