Product datasheet

Specifications

Controller, Security Expert, ACX-V2, for ethernet

SP-ACX-V2

Main

Mounting Mode	PCBA for panel/enclosure mounting
Width	209.6 mm
Device Application	Access control Intrusion detection
[In] Rated Current	120 A
Relative Humidity	10…90 % RH, non-condensing
Communication Port Support	RS485 Standard service port
Number Of Inputs	12 high security monitored 8 card reader
Number Of Outputs	4 form C relay output
Height	241.3 mm
Depth	57.2 mm
Output Voltage	11...28 V DC at 50 W 24 V AC at 90 VA
Output Current	3 A form C relay

Complementary

Encryption Protocol	RSA 1024 AES 256
Communication Port Protocol	Ethernet OSDP RS485

Packing Units

Unit Type Of Package 1	PCE
Number Of Units In Package 1	1
Package 1 Height	27.6 cm
Package 1 Width	5.3 cm
Package 1 Length	22 cm
Package 1 Weight	670 g
